

EnviroColor

Perfect Solutions for Pine Straw, Mulch and Grass

www.EnviroColor.com | 678-648-5620 | sales@EnviroColor.com

A Program Designed With Your Success in Mind!

Staying on the cutting edge in landscaping often is what separates the winners from the losers. EnviroColor is changing the game when it comes to landscape paints and colorants and is building a team of dedicated businessmen and women across the country.

Starting a new business doesn't have to be stressful or expensive. EnviroColor's licensing program puts you in the CEO's seat immediately and is designed to get you up and running quickly. As an EnviroColor Licensee you'll receive training, marketing assistance, on-going support and valuable discounts to ensure you stay on track for success. Protect your territory today before it is too late!

With millions of homeowners, property management companies and commercial property managers looking for ways to improve the appearance of their landscaping, save money and conserve natural resources there is no better time to jump start your success with EnviroColor.

Keeps pine straw looking new for up to 9 months.

Instantly restores faded mulch with color for the entire season.

Quickly brings back the look of healthy grass.

TRAINING

As an EnviroColor Licensee you'll receive training on applying and handling EnviroColor products.

You'll learn first hand the tools, tips and tricks necessary for efficient and high quality applications from EnviroColor professionals.

SUPPORT

We measure our success by yours and we are here for you and your team when you need us.

You'll have a direct line to an EnviroColor representative to get the answers you need to succeed.

MARKETING

To get you up and running we've created a portfolio of ready-to-print marketing materials that you can begin handing out immediately to start getting the word out about your new venture and EnviroColor's revolutionary products and services.

DISCOUNTS

As an EnviroColor Licensee you'll be privy to special wholesale pricing on our entire product line.

You'll be delivering the highest quality, most recognized brand of landscape paints and pigments for pennies per square foot with GREAT profit margins.

The EnviroColor program is NOT a franchise! There are no on-going fees, reporting requirements or additional expenses. Contact us today to learn more about getting in on the fastest growing trend in landscaping today!
